EXPERIENCE LIFE IN THE SLOW LANE!

Every **Tuesday** during the summer we operate two service routes. Join us as we amble through the dramatic scenery from Ravenstonedale to Hawes where you can enjoy the Dales street market, Wensleydale cheese factory and other local visitor attractions, or hop on the bus at Hawes to travel to Hardraw. There you can enjoy a great pint at The Green Dragon Inn or take your own picnic for a walk to the beautiful Hardraw Force Waterfall.. Relax, sit back and have a great day out!

Our **Wednesday** route is so popular we operate all year! Going from Ravenstonedale to Barnard Castle on market day. In summer the outward journey ambles over dramatic moors and passed Selset reservoir with spectacular views on the way. We pause for a tinkle in Middleton in Teesdale before driving on to Barnard Castle with its lively market, Castle and famous Bowes Museum. In winter we miss Middleton and go via the A66 over Stainmore, both timetables return, loaded full of shopping, on the direct route over the A66..
